MAINTENANCE AND CARE

Your Atelier floor comes oil-finished from our factory. For best results we strongly suggest a final cleaning and detailing occur at the completion of installation using our DUCHATEAU Oil Finished Floor Cleaner. This addresses construction debris, normal traffic from other construction trades, and most other issues encountered during the installation of your floor. Please refer to our official Maintenance and Care Guidelines.

MEASUREMENTS: U.S. inch measurements are nominal. Select grade planks are random length planks. Some planks may vary in length. Starter boards may be included.

WEAR LAYER: *Nominal top layer thickness measured prior to finishing processes. Some processes, such as wire brushing or hand-scraping will affect the overall thickness.

MAINTENANCE: Remember to include DUCHATEAU Maintenance Products on all applicable DUCHATEAU orders. Use of non-approved products may damage the finish of the floor and void the warranty. DUCHATEAU Maintenance Oil has a two year unopened shelf life.

PRICING: Pricing is subject to change. Current prices will be charged.

DISCLAIMER: Created to be a truly individual piece of nature's artistry, each and every Atelier Series product is finished by hand and carries distinct variations in size, shape, thickness, finish, texture, grain and overall character that create the unique diversity and natural elegance of our flooring. Individual samples of these floors are merely for reference and not meant to serve as exact representations; it is virtually impossible to capture – in a single image or physical sample – the entire range of color variation and character that will be present in the flooring you will receive. To better understand the unique look of an Atelier Series finished floor in your space, we recommend consulting your sales representative for more details.

THIS IS A MADE TO ORDER PRODUCT. PRODUCTION TIME FRAME WILL VARY DEPENDING ON PRODUCTION SCHEDULE AND SIZE OF ORDER AT THE TIME OF PURCHASE. ESTIMATED 12 WEEKS.
50% DEPOSIT REQUIRED. NO RETURNS.
